PLAN AHEAD

Gift planner

Year _____

NAME	DATE	GIFT IDEAS	BUDGET	BOUGHT	SENT

Collect ideas all year. When someone mentions something they love or need, write it down here right away.

Thoughtful beats expensive. A handwritten card, a favorite treat or time together often means the most.

DON'T FORGET

Other important dates

Anniversaries, name days, memorials and other dates worth remembering.

NEVER MISS A BIRTHDAY

Check at the start of each month

Look at the coming month on the first day, so you have time for cards and gifts.

Set two reminders

One a week before to plan, and one on the day to send your wishes.

Keep a small card stash

A few blank cards and stamps at home make sending wishes easy.

A message is enough

A short, warm text or call on the day can mean more than you think.

EASY BIRTHDAY WISHES

Thinking of you today and wishing you a wonderful year ahead.

So grateful to have you in my life. Have the best day!
